

January 2023

Dear Valued Customer:

GSE has been successfully operating five business units under a single **GSE Solutions** brand since 2020. We have built a phenomenal roster of experts, innovative solutions, and services that the industry trusts and respects.

Moving forward, we have **updated our trade names** to support our growth better and reflect new areas of expertise each group represents. **Legal entity names currently remain the same.** The new names will not affect our group operations, which will remain intact; every employee is still more dedicated than ever and looks forward to continuing to serve you.

**GSE Solutions** is our corporate trade name that operates over two divisions:

- **GSE Engineering** – our design, simulation, and performance division and
- **GSE Workforce Solutions** – our staffing and training division

Legal Name	NEW Group Trade Name	Current Address
